15th October 2020

Partial re-opening from Friday 16th October to Fri 23rd October 2020 (half term)
Return to full re opening after half term – Monday 2nd November 2020.

Dear Parents/ Carers,

I am pleased to inform you that we are re-opening several classes from tomorrow – Friday 16th October; we plan for them to remain open until half term, so long as there are no further cases of COVID in school.

The school has been cleaned and left for 72 hours. The classes where there has been direct contact will remain closed for the 14 day period in line with guidance. Similarly, the administration team and some other staff will continue to self-isolate. This has an impact on the staffing in school and some classes may be offered a part return; however, we hope that this is helpful, and your child will attend.

Unfortunately, home to school transport are unable to rerun until Monday 19th October 20. If you can bring your child in yourself tomorrow, then please do so.

The classes that are continuing to self -isolate are: Doves, Toucans, Woodpeckers and Robins.

You will receive a text message if your child is in one of the classes that are opening for part of the time. If you do not receive a text, please assume that your child can return to their class for the whole of this period.

I will inform you as soon as possible if any further changes are necessary.

Many thanks for your patience, understanding and cooperation during this difficult time.

Take care.

Yours sincerely,

Diane Wolstenholme
