

Moon Sand

Moon sand is mouldable sand. It is great for any small world play. The baby oil can be switched with vegetable oil to make it edible.

Ingredients:

8 cups flour

1 cup baby oil

Method:

1. Add the flour to a large tray
2. Add the baby oil
3. Mix with a wooden spoon
4. Mould the sand using your hands and various shaped moulds.
5. Add diggers and cars and look at the different tracks that are made in the moon sand.
