Dear Parents and Carers,

Welcome to Puffins Class!

The Puffins team consist of

This term our class topic is reflections. We will be looking at mirrors and our own reflections and learning to identify features on our faces. We will also explore the concepts of light and dark through sensory play and attention autism activities.

This term we have Shadow dance with Lucy where we will be learning about moving our bodies in different ways to the music. We also have swimming where we will be learning how to be safe in the water and kicking our legs. Can you please send your child in with a swimming kit which can stay in school which contains a swimming costume, towel and swim pad (if required).

We go out in all weathers so if you could please send your child in with waterproofs and wellies to keep in school that would be appreciated.
