TOPIC

Our Topic this term is 'Feelings'.

The children are learning about the different feelings that we may have. The children are listening to the story of Pete the cat who keeps spoiling his shoes with various things but he doesn't get sad or cross. This topic forms the theme of our artwork for painting and craft activities.

We are singing and signing to the songs about feelings and also singing some of our favourite songs too.

It is very much appreciated when clothes and bags, bottles and shoes are all labelled with your child's name.

Please send in wellies if you haven't already. Thankyou
