

Sunbirds Spring Newsletter 2025

On Mondays, the children have a session in the soft play room. This room allows the children to move around and explore a type of large body movement and play in a safe space. On a Thursday the children have a session in the sensory and light room. This gives the children an opportunity to be calm and relax and it promotes a space for building their emotional resilience.

On Mondays the children will be cooking. This gives them lots of opportunities for learning with communication, maths and science. If you can make a contribution of £1 per week to the class fund then it will support the purchasing of our ingredients for this session.

On Tuesdays we have our Hall PE session where the children will get to use the large apparatus in the hall to practise balance, climbing and jumping skills as they travel across the apparatus.

On a Thursday afternoon the class is timetabled to use the school's Hydro pool. The children will be in two groups for this session. One group will swim and the other group will be going in to Squirrel Woods to take part in outdoor learning.

TOPIC

Our Topic this term is 'countryside and Animal environments.

The children will be learning about the things we may see in the countryside. The children will be finding out about where animals live in the local environment and in the countryside. We will be able to introduce the children to the school guinea pigs. The children have enjoyed last term's story of Pete the cat and we will be continuing with Pete the cat and his version of Old MacDonald had a farm. This topic will form the theme of our artwork for painting and for our craft activities.

We will be singing and signing to our favourite songs and using counting songs to support and develop number and shape understanding.

It is very much appreciated when clothes and bags, bottles and shoes are all labelled with your child's name.

We have beautiful grounds outside which at this time of year become muddy. Please send in wellies if you haven't already. Thankyou
