SUPPORTING YOU TO BE MORE ACTIVE

These anxious and unusual times bring unforeseen difficulties. With everyone spending a lot more time at home, it could have a significantly negative impact on Manchester's physical, mental and emotional well-being. **We don't want that to happen.**

It has therefore never been more important to provide trusted advice and guidance on the 'what' and the 'how' to support and encourage everyone to manage their well-being and move more.

Across Manchester, we're promoting daily messages of support, inspiration, guidance and updates to the city around physical activity and moving more across our Facebook, Twitter & Instagram channels – **tagging in #MCRactive.**

If you don't do so already, follow and connect with us and pass this message to anyone wanting to stay informed and supported.
